The Barista Caffè "Espresso"

An outstanding cup of coffee starts with The Barista Caffè "Espresso". This practical, reliable and successful automatic coffee machine has just arrived in South Africa! Enjoy a fully automatic espresso based coffee machine with a milk frother that takes all the hard work out of making coffee favourites like cappuccino, latte and latte macchiato. Add that to 3 coffee grind settings, adjustable coffee strengths, single or double cup brewing options, automatic rinse cycles and a classy Italian design and you get great coffee at unbelievable value. Its small footprint and low price make it a desirable coffee machine for small office or home use.
